## **Biographical Highlights**

Marc is a native US citizen from Brooklyn, NY. He has extensive international business experience having worked in more than 35 countries around the globe during the last 25 years.

Marc's business experience ranges from Senior Management, International Sales Management, Business Development, to Channel Management. He has worked in various high-tech sectors including mechanical/electrical engineering, electronic security, electronics manufacturing, hardware/software components, telecommunications, and managed services. He has worked in organizations supporting turn-around efforts, growth, and Greenfield programs. Marc has developed an expertise in leadership and change management, building winning sales teams and consulting organizations to develop strategic business plans.

Marc has served on several Boards of Directors in both the private and public sector and has been awarded numerous business awards for his success through the years. Marc currently serves as the Vice Chairman of Join Foreign Chambers of Commerce in Thailand (JFCCT), as President of the Thai-Finnish Chamber of Commerce, and also as a Director for the Board of Trade of Thailand.

Marc is headquartered in Bangkok, Thailand and currently works as the Regional Managing Director Asia-Pacific for Vinarco, a world-class company specialized in providing life-cycle manpower services for the infrastructure and railway industries. Vinarco plans on playing a significant role in supporting the overall infrastructure development here in the Region, and is poised with their expertise to do.

In his spare time Marc's hobbies include; motorcycle racing, golfing, scuba diving, ice hockey, rock climbing, avid book reading, and music.
