**Discussion Issues**

Regarding to an ASEAN Integration in 2015, a process of ASEAN Blueprint Review (2009-2015) was made to ensure that listed actions were timely and fully implemented. Besides, it is a right time to undertake and set priority activities and concrete key actions for realizing the post ASEAN 2015. To this, it is required to collectively identify and address common requirements, and to enumerate a communication plan that will help to enhance awareness and lay out a schedule of key milestones and a coordination mechanism or governance structure for the year to come. Thus, the meeting was co-chaired by ASEAN Secretariat and Ministry of Foreign Affairs from individual member. The aim of the meeting was to discuss its future direction, aspects of mutual interest, as well as the progress achieved in ASEAN Blueprint 2009-2015.
